

# HANDICAP SEMINARS

## Level the playing field at your golf club by learning about the USGA Handicap System™!

Please join us for an informative and interactive seminar focusing on how to implement the USGA Handicap System at your club successfully.

The seminar will focus on the content within “The USGA Handicap System,” 2012-2015. There will be open discussions, role play activities, and solutions to share with your golf club on how to deal with difficult situations. In addition, an in-depth review of the ever-so important role of the Handicap Chairperson and Handicap Committee will be covered. During the seminar, an open-book quiz will be administered. All attendees will receive a certificate acknowledging their accomplishment.

Learn the “tools of the trade” on how to promote equitable handicapping, and how to address common concerns will be at your disposal in this seminar taught by USGA staff. (**Note:** This seminar is open to the public.) See you there!
